

QUALITY POLICY

Our policy is to provide our customer with the highest possible quality and safe product with excellent services. We shall achieve this through the dedicated effort of all our employees to the pursuit of excellence in all aspects of our work. As part of continuous improvement, the systems and processes will be constantly reviewed aiming to enhance the efficiency of our retail business products and services.

Our objectives are established and will be continually reviewed in order to promote ADCOOPS as the preferred choice of every customer in U.A.E.

This policy is implemented in compliance with ISO 9001 Quality Management System, ISO 22000 & HACCP Food Safety Management System and Statutory & Regulatory Requirements which covers all products, services, location and applies to all ADCOOPS personnel.
